

## The Birth Of Christ Process, Presented by Bob Lancer 12/2023

In this session we will work with powerful exercises that renders us receptive for “the anointment” that turns life your life in to your greatest dreams coming true.

### Quotes:

*“The physical body is a womb for the soul.” The Corpus Hermeticum, 1<sup>st</sup> Century AD*

*“Throughout this week I found myself chanting, “boy, would I like to find the Christos,” only half-realizing what I was saying. I THOUGHT I was just singing about how I was looking for the book by Vitvan, “The Christos”. Only later, after repeating it multiple times, did I realize I was chanting a search for the Christos, like one of the three wise men who looked for the baby Jesus.” BL*

### The Christos Code

#### The Name:

- Jesus spelled in Hebrew: Yod Heh Shin Vuv Heh = Reality Liberates
  - What does it liberate: YOU into a higher life: a life of more order, beauty, harmony, love, peace, prosperity, purpose – YOUR GREATEST DREAMS COMING TRUE.
  - The Higher YOU: A conscious Divine Being, The Christ You ARE.
- Christ, a Greek word, stemming from the word “Christos”. It means “anointing”, referring to the “anointing” of the Holy Spirit, the Higher Power, a Higher Heavenly influence flowing through you, into the world.

#### The Kabbalah Tree of (Christ’s) Life

- The Kabbalah Tree of Life diagram portrays the structure-function-order of the universe.
- The central Sphere, Sphere 6, is named Beauty. It represents the Divine Human or Christ.
  - See how it connects to, receives and distributes the Divine Powers on the Tree
  - Just as it takes 9 months to create a baby, the Christos is born in the Kingdom, through YOU.
  - The Christos functions with the powers of the Tree, germinates in Sphere 9 for a time, and then manifests fully in the earth-plane
  - As YOU tune into these energies, the “seed of the Christ” in you develops, matures and is finally born, as your life rises to higher levels of joy, grace and miracles
    - Practice: open to
    - 1: Divine Will,
    - 2: Divine Wisdom,
    - 3: Divine Understanding,
    - 4 and 5: Right balance between Justice and Mercy
    - 6: Beauty, Balance and Harmony
    - 7: Victorious emotion
    - 8: Following the path of Honor
    - 9: Perseveringly
    - 10: All applied in your earthly daily life experiences

**The Story:**

- In the Book of Mathew, Jesus is born after 3 times 14 generations:
  - 3 refers to the tripartite human:
    1. The True or Higher Self, the immortal, essential I AM you are- the Christ-Self
    2. The personality or psyche
    3. The physiological organism
- 14 refers to the alchemical process symbolized by Tarot Key 14: Temperance
- Alchemy is the process of turning lead (a base state) into gold (a higher state);
  - \* **gold is a symbol of Christos energy.**
- Temperance means applying right measure or balance to thoughts, feelings, actions.
  - 14 = 1+4 = 5: Temperance renders us receptive to the guidance of our inner voice, inner teacher, higher wisdom, represented by Key 5 of the Tarot
- Temperance alchemizes or transmutes the personality:
  - Raising the quality of our thoughts, emotions and desires
- Temperance alchemizes or transmutes the physical body:
  - As the personality transmutes, so does the physical body as an instrument for higher attunement.

*The global influence of your individual alchemy raises the human race toward the fulfillment of its Christ purpose and potential, for more peace, harmony, healing and love on earth.*

- **Virgin Birth**
  - Represents the purified psychic nature, psyche or personality (USE THE METHOD)
    - Freed from negative thought, feeling, speech, action
    - **Overcoming automatic patterns:** You cannot grow automatically
      - The 4 rules of magic: to know, will, dare and do (silently)
      - The purified psyche is the seedbed for the Christos, the higher influence that takes you into higher levels of grace, miracles, wisdom, healing, abundance and heavenly dreams coming true
        - Sphere 9 on the Tree represents the need to do this FULL (LONG) TERM
- **Joseph is guided by an angel to take care of Mary**
  - Joseph represents YOUR CAPACITY to be guided from a higher level as to how to care for your spiritual development into higher frequencies
  - See Tarot Key 6 for an illustration: Joseph – Mary – Guiding Angel
- **Why she has to be hidden.**
  - When you begin awakening to your higher spiritual nature (The Christos), be careful who you talk to about it, who you share it to, because in the early stages you may be open to negative suggestion that interferes, impedes or opposes its development.

## The Birth Of Christ Process, Presented by Bob Lancer 12/2023

- **Joseph is told the name of the Christos-seed** within her is to be Jesus
- which means in Hebrew “Reality liberates.” This can be interpreted as “Savior”.
  - IE: follow the path of spiritual development liberates the True Self
  - It liberates us from a lower world to a higher world of grace, joy, love and miracles
  - The story refers to the name Emmanuel, meaning: “God is here.”
    - IE: your spiritual stirrings indicate the Divine Presence and foreshadow the ultimate Divine Birth in YOU
  - The reference to prophesy means that your spiritual development into a higher world and ultimately Divine Humanhood is MEANT TO BE. Y
    - IE: The universe is designed for this eventuation
- **Wise men from the east follow a star, bringing gifts.**
  - East: The sun rises in the east, representing the dawning of the light – in this case, spiritual light
  - The Star: Following the sense of your TRUE destiny
  - Bringing gifts: giving *your* gifts and talents to a life-path that feeds your soul (the Christ in you)
  - 3 men = thoughts, feelings and actions given over to the developing soul
  - **Among the gifts is GOLD:** Abundance is your spiritual heritage (as it represents a higher state of consciousness)

### **No room at the inn / Born in the barn:**

- When your life seems to be working out, your ego is so puffed that there is no room for a “savior or redeemer” because you believe you have it all together.
  - Eventually this *must* collapse, and you realize all you have attained amounts to nothing.
    - People go to God when they have done all they know and it doesn’t work.
      - We often have to descend into the most simple, basic, humble situation to open the channels for the Christos.
      - “Find your treasure where you fall,” Joseph Campbell

### **Born in a manger:**

- This is the section of the barn where the animals are fed
- The animals represent the lower psychic forces, the automatic patterns of thought, feeling, speech and action that consume our energy
- To the extent that these run us, they consume energy that would otherwise go into spiritual development
- As we liberate ourselves from these through more conscious functioning (The Wisdom of Joy) and The Method, the spiritual soul or Christ child within us is fed and nurtured and thus grows and develops until we fully Identify with THAT Self.

### **King Herod is threatened:**

- Represents the false ego or false self that does not want to give up its rulership over your energies – it fears death.

## **The Birth Of Christ Process, Presented by Bob Lancer 12/2023**

- It is the side of us that wants to wallow in negativity, to NOT do the work of purification FOR THE LONG TERM, and tends to give up.
- There is also a world or planetary ego that has always been opposed to total human liberation/evolution.
- We see right now those dark forces rising up as more and more awaken to the Inner Light
- Regarding our development, we need to be cagey (like the Wise men who departed into their own country), we need to be “Wise as serpents and harmless as doves”

### **Fleeing Into Egypt**

- Egypt means “land of going into and coming out of)
- In Hebrew: Land of oppression and slavery
  - They hide among the slaves and seem to be one of them, until the Christ grows strong enough
  - This is US incognito among “regular people” until we are ready to emerge from them to selected audiences.
  - We have to demonstrate mastery (purified psychic) at this lower level to rise higher.

**Baptism by water (and fire):** “I baptize thee with water, but one comes after me... who will baptize thee by fire.”

- Water Baptism: Symbolizes the psychic nature cleansed for the receipt of the Christos in full glory
- The fire: the higher spiritual frequencies that activate, quicken the spiritual urge and power

### **The temptation:**

- The temptation to use your power to serve the false ego.
- when higher power is activated, in the early stages, it can be tempting to use it for your ego.

### **Judas: betrays with a kiss**

- The name Judas means: Praise
- Being flattered feels like a sweet kiss, but it can be a set-up if you get attached to it.
- Seeking / attachment to praise / approval that promises grace but brings humiliation because it takes us off our true course
- Betrayed with a kiss: deception / betrayal of worldly pleasure-promises – see Key 15: deception of appearances.
  - And yet, crucifixion does present the blessing of ultimate liberation.

### **The Crucifixion / Resurrection / Ascension**

- Final Physical Initiation: Liberation from identification with and attachment to physical conditions
- **The Cross Symbolism:** The horizontal above the midpoint of the vertical symbolizes raising earth-life to the higher vibrations of grace, miracles and heavenly dreams coming true
- Liberation from attachment to material conditions
- how to triumph over illness and death: maintain emotional harmony and mental purity through the experience – surrender (See Tarot Key 12)

## **The Birth Of Christ Process, Presented by Bob Lancer 12/2023**

### **In Sum:**

- Christmas celebrates our destined emancipation into a life that rises into higher levels of grace, miracles and heavenly dreams come true.
- Mary is YOUR purified psyche where the spiritual urge – the Christos – takes root.

**Therefore, let us wish one another MARY Christmas.**

### **Final Meditation**

The Temple Meditation on giving up all attachments and resistance that would pull you off the path of your own True Star of Divine Destiny.
