Have you ever wondered if you're psychic?

Have people told you that you're intuitive? Do you sometimes have a sense that something will happen—and then it *does*? If so, you may be psychically gifted. This transformative guide will help you understand, develop, and strengthen your psychic ability—and use your power to enhance your life and the lives of others.

In this spiritual how-to, you'll learn how to “turn up the volume” on your innate abilities and cultivate a deeper sense of self-awareness. You'll also find techniques to help you connect with the spirit world, set boundaries to protect your psychic energy, and establish a daily psychic routine. Your intuition can guide you toward your life's purpose—you just need to know how to listen! This profound and practical book can help you get started today.

“Everything you need to know to connect to your inner guidance and receive intuitive messages for others and yourself.”

—George Lizos, author of *Protect Your Light*
